25X1A		3.	Correct. The Hq Second Eds Mecz Army has been carried in the re-	
			stricted area south of Roellinsee so far. The restricted area north of	
			We lake is mentioned for the first time. According to an available map,	
			no huildings are located on the northern shore of the lake. The AAA	
			emplacements, from which the one near Steinfourds was previously re-	
			ported, are believed to serve as a protection for the above mentioned
